

We dogs!

Our adorable Labrador puppies start their journey in our **Puppy Academy** at our Palmetto, Florida campus.

We support **750+** guide and **service dog teams** and oversee the well-being of nearly **1,300 puppies** and **dogs**.

Our dogs complete their training in about **2 years**, including about **6 months** of advanced on-campus training at **Canine University**.

Our human students complete their prerequisite training in about **16 weeks** through our **Online University**, then undergo hands-on training for **2 to 3 weeks**.

About **150 dogs** find purpose in guide, service, skilled companion and therapy dog careers each year through our organization.

About **1,000** kind and caring **volunteers** bring our mission to life.

Our **Alumni Support** program offers lifetime follow-up for all guide and service dog graduates, including premium dog food and preventative veterinary care.

Charity Navigator awards us their highest **100% score**. Only one-tenth of one percent of the 1.5 million charities in the U.S. earn a 100% score.

The International Guide Dog Federation and **Assistance Dogs International** accredit and applaud our organization's mission and accomplishments.

WE  DOGS! Did we mention that already?
