

## We ❤️ dogs!

Our adorable Labrador puppies start their journey in our **Puppy Academy** at our Palmetto, Florida campus.

We support more than **650 guide and service dog teams** and oversee the well-being of over **1,200 dogs**.

Our dogs complete their training in about **2 years**, including about **6 months** of advanced on-campus training at **Canine University**.

Our human students complete their prerequisite training in about **16 weeks** through our **Online University**, then go through hands-on training for **2 to 3 weeks**.

More than **125 dogs** graduate each year with their new favorite humans.

About **750** kind and caring **volunteers** bring our mission to life.

Our **Alumni Support** program offers lifetime follow-up for all guide and service dog graduates, including premium dog food and preventative veterinary care.

**Charity Navigator** awards us their highest **4-star rating** year after year.

**The International Guide Dog Federation** and **Assistance Dogs International** accredit and applaud our organization's mission and accomplishments.

**WE ❤️ DOGS!** Did we mention that already?

**One Last Fun Fact:** There's always room for you in the Dogs Inc family.
