12:00pm-3:00pm

Swamp Head Brewery

Join us for a fun-filled afternoon with our Dogs Inc Gainesville puppies and puppy raisers. This **free**, family-friendly event featuring upbeat music, a **puppy kissing booth**, games to play, visit a variety of vendors and partake in our **raffle** for a chance to win numerous gifts.

Our extraordinary dogs transform lives throughout the country—at **no cost** to the recipients. **Guide dogs** turn darkness into light for people with vision loss. **Service dogs** restore freedom for veterans. **Skilled companion dogs** heal the broken hearts of those with loss. We offer our clients their loyal friends, expert instruction, and lifetime support free of charge—thanks to big-hearted donors and volunteers.
